

## Refugee Welcoming Packs

April 2016.

**Thank you for donating items for these welcoming packs.**

- Do invite all women in your church, or even the whole church, to donate supplies!
- Any donations for any welcoming pack(s) are appreciated.
- Choose supplies that are easiest for your group to collect i.e. items are readily available.
- Sort your donations (bundle them by pack) before bringing them to the conference.
- Contact Judith Mercer with your questions. Judith has agreed to coordinate supplies and volunteers for this project. **Contact** her at 905-732-5360 or [judithmercer@ymail.com](mailto:judithmercer@ymail.com).

### **At the conference**

- Drop off your bundled/sorted donations in the labelled bins at the Beloved Women table.
- Say hello to Judith and leaders from Beloved Women.

Thanks again for serving vulnerable women and children at risk in this way. You'll learn more about Beloved Women during the conference.
