

## **CURRENT PROJECTS WE SUPPORT**

We focus on vulnerable women and children because we have seen the genuine, lasting transformation that can result. Here is a partial list of our projects we are supporting through December 2019.

### **International Mission**

We support a number of international projects via Canadian Baptist Ministries. Download the list of projects here: <https://13of9e1cbvyf3u9lhl7rvht1-wpengine.netdna-ssl.com/wp-content/uploads/2019/02/2019StrategicGivingProjectsList.pdf>

### **Local Mission**

*New Initiatives:* Twice a year we review applications for New Initiatives in Ontario and Quebec. We are proud to support many great projects that are led by women and offer the love of Christ.

*Leadership development:* We regularly give out small bursaries for women who have training opportunities. We also assist women to attend events such as our annual conference. Over the past two years we have had our bursary event fund run out as young women apply for help to attend these conferences.

We invest in the lives of young Baptist women who may become leaders in their communities through Uptick Baptist Women, a 10-month intensive discipleship and mentoring program.

*Short-term cross cultural experiences:* In July we return to Dixon Ministry, Toronto. Read testimonials from our first trip at this link: <https://www.baptistwomen.com/causes/mission/>

### **Advocacy**

*Indigenous work:* We continue to support various projects initiated by Indigenous women. Read about one project here: <https://13of9e1cbvyf3u9lhl7rvht1-wpengine.netdna-ssl.com/wp-content/uploads/2019/02/2018-and-2019-Oshweken-grants.pdf>

We have also supported a number of Christian conferences that work toward reconciliation.
